Amos 3:3-8 (Amplified Bible)

3. Do two walk together except they make an appointment and have agreed?
4. Will a lion roar in the forest when he has no prey? Will a young lion cry out of his den if he has taken nothing?
5. Can a bird fall in a snare upon the earth where there is no trap for him? Does a trap spring up from the ground when nothing at all has sprung it?
6. Shall a trumpet be blown in the city and the people not be alarmed and afraid? Shall misfortune or evil occur [as punishment] and the Lord has not caused it?
7. Surely the Lord God will do nothing without revealing His secret to His servants the prophets.
8. The lion has roared; who will not fear? The Lord God has spoken; who can but prophesy?

Amos 8:11-12

11. “Behold, the days are coming,” declares the Lord GOD, “when I will send a famine on the land—not a famine of bread, nor a thirst for water, **but of hearing the words of the LORD.**”
12. They shall wander from sea to sea, and from north to east; they shall run to and fro, to seek the word of the LORD, but they shall not find it.

Joel 2:1

Blow a shofar in Zion; sound an alarm on My holy mountain! Let all the inhabitants of the land tremble, for the day of the LORD is coming; it is near.

Hundreds of millions of pounds may have been wasted on a drug for flu that works no better than paracetamol, a landmark analysis has said.

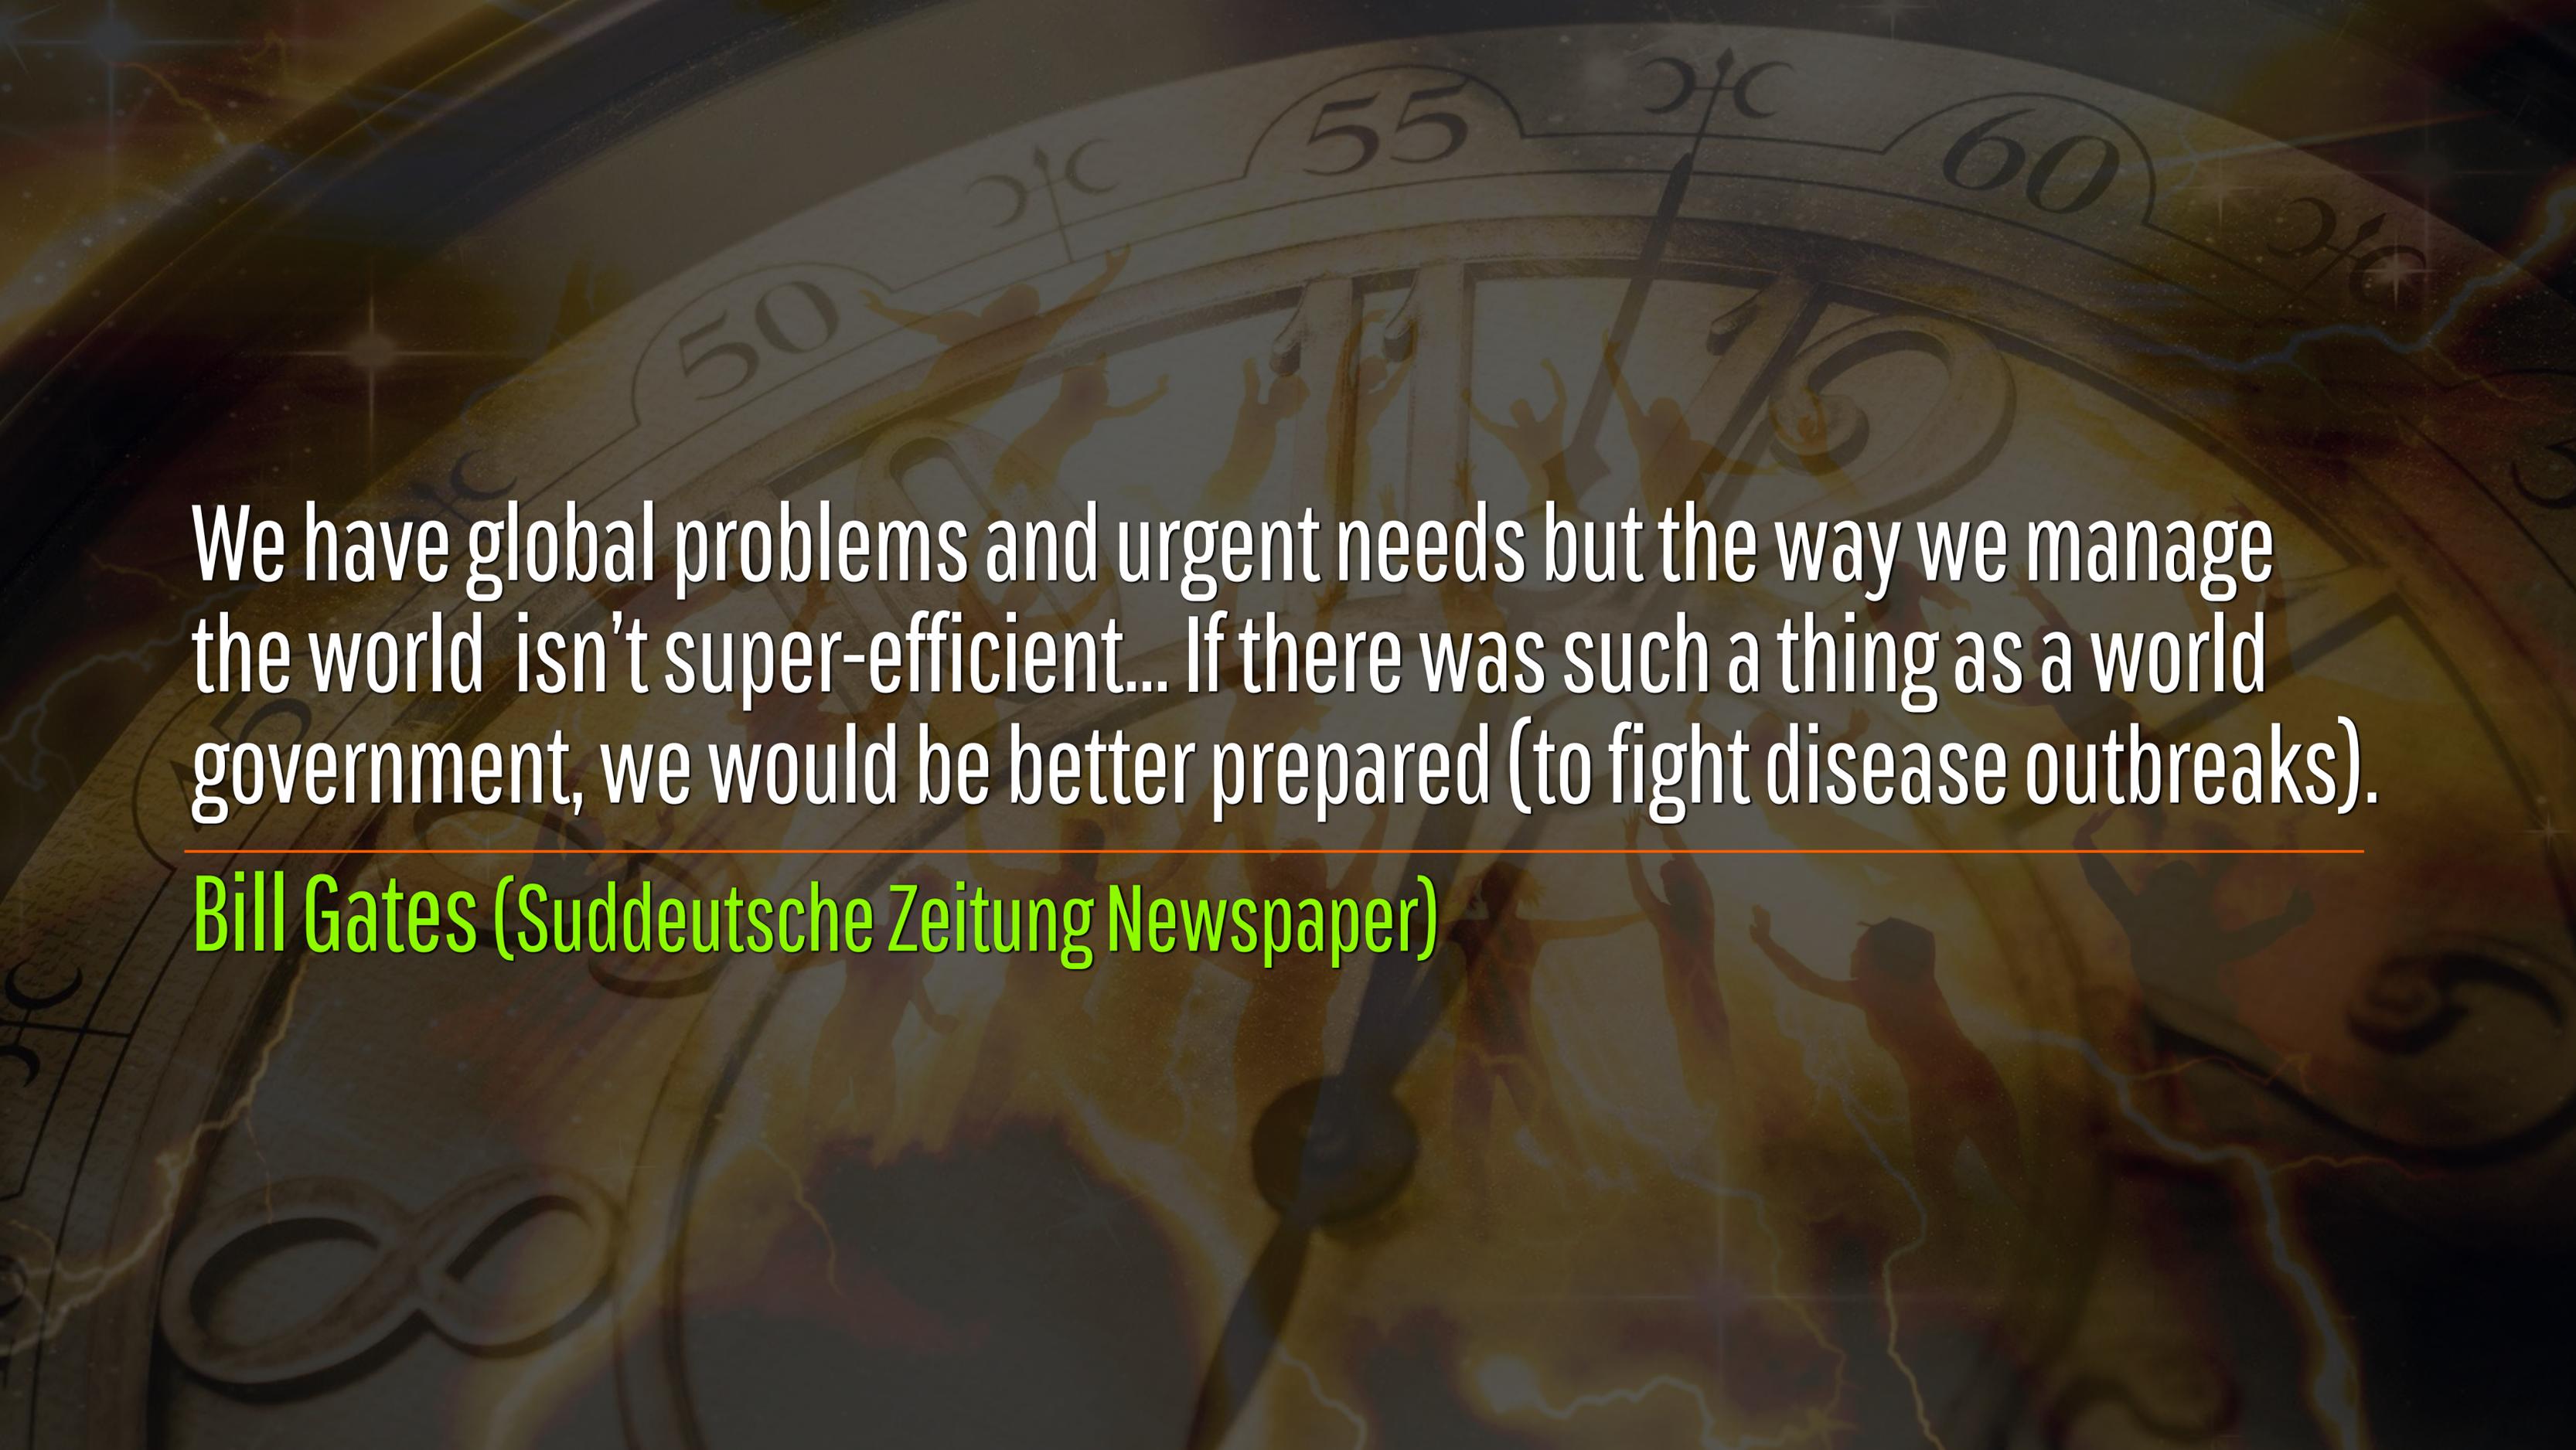

The UK has spent £473m on Tamiflu, which is stockpiled by governments globally to prepare for flu pandemics.

The antiviral drug Tamiflu was stockpiled from 2006 in the UK when some agencies were predicting that a pandemic of bird flu could kill up to 750,000 people in Britain. Similar decisions were made in other countries.

The real purpose behind this conference (in Copenhagen) is to use global warming hype as a pretext to lay the foundation for a one-world government. **A world government is going to be created.**

Lord Christopher Monckton (The United Nations on the Brink of Becoming a World Government, New American World News)

The background features a large, circular clock face with a central mural. The mural depicts several figures in various poses, some appearing to be in motion or dancing. The clock face has large numbers (50, 55, 60) and decorative elements. The overall tone is dark and historical.

We have global problems and urgent needs but the way we manage the world isn't super-efficient... If there was such a thing as a world government, we would be better prepared (to fight disease outbreaks).

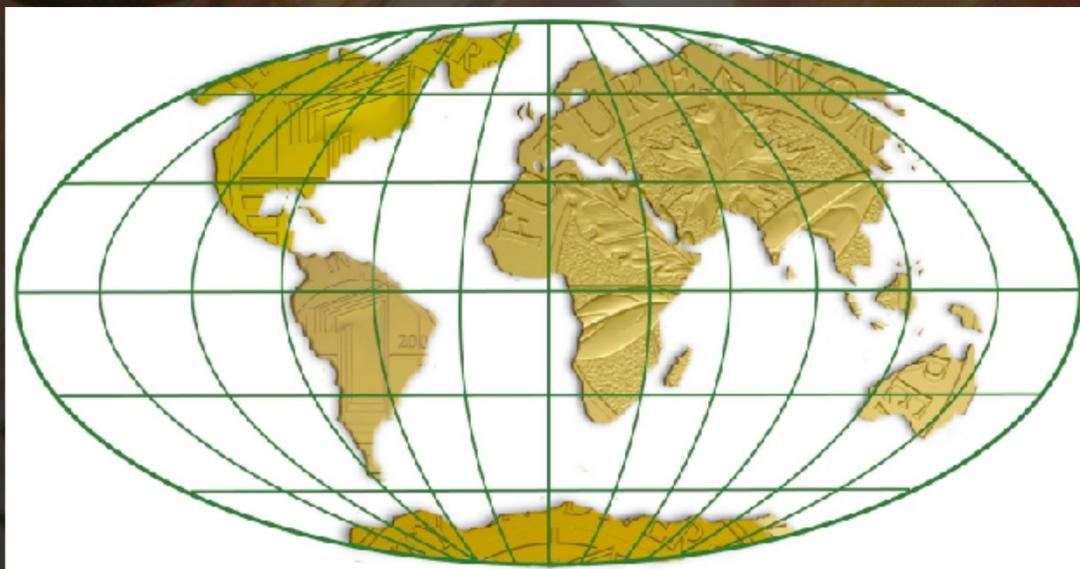

Bill Gates (Suddeutsche Zeitung Newspaper)

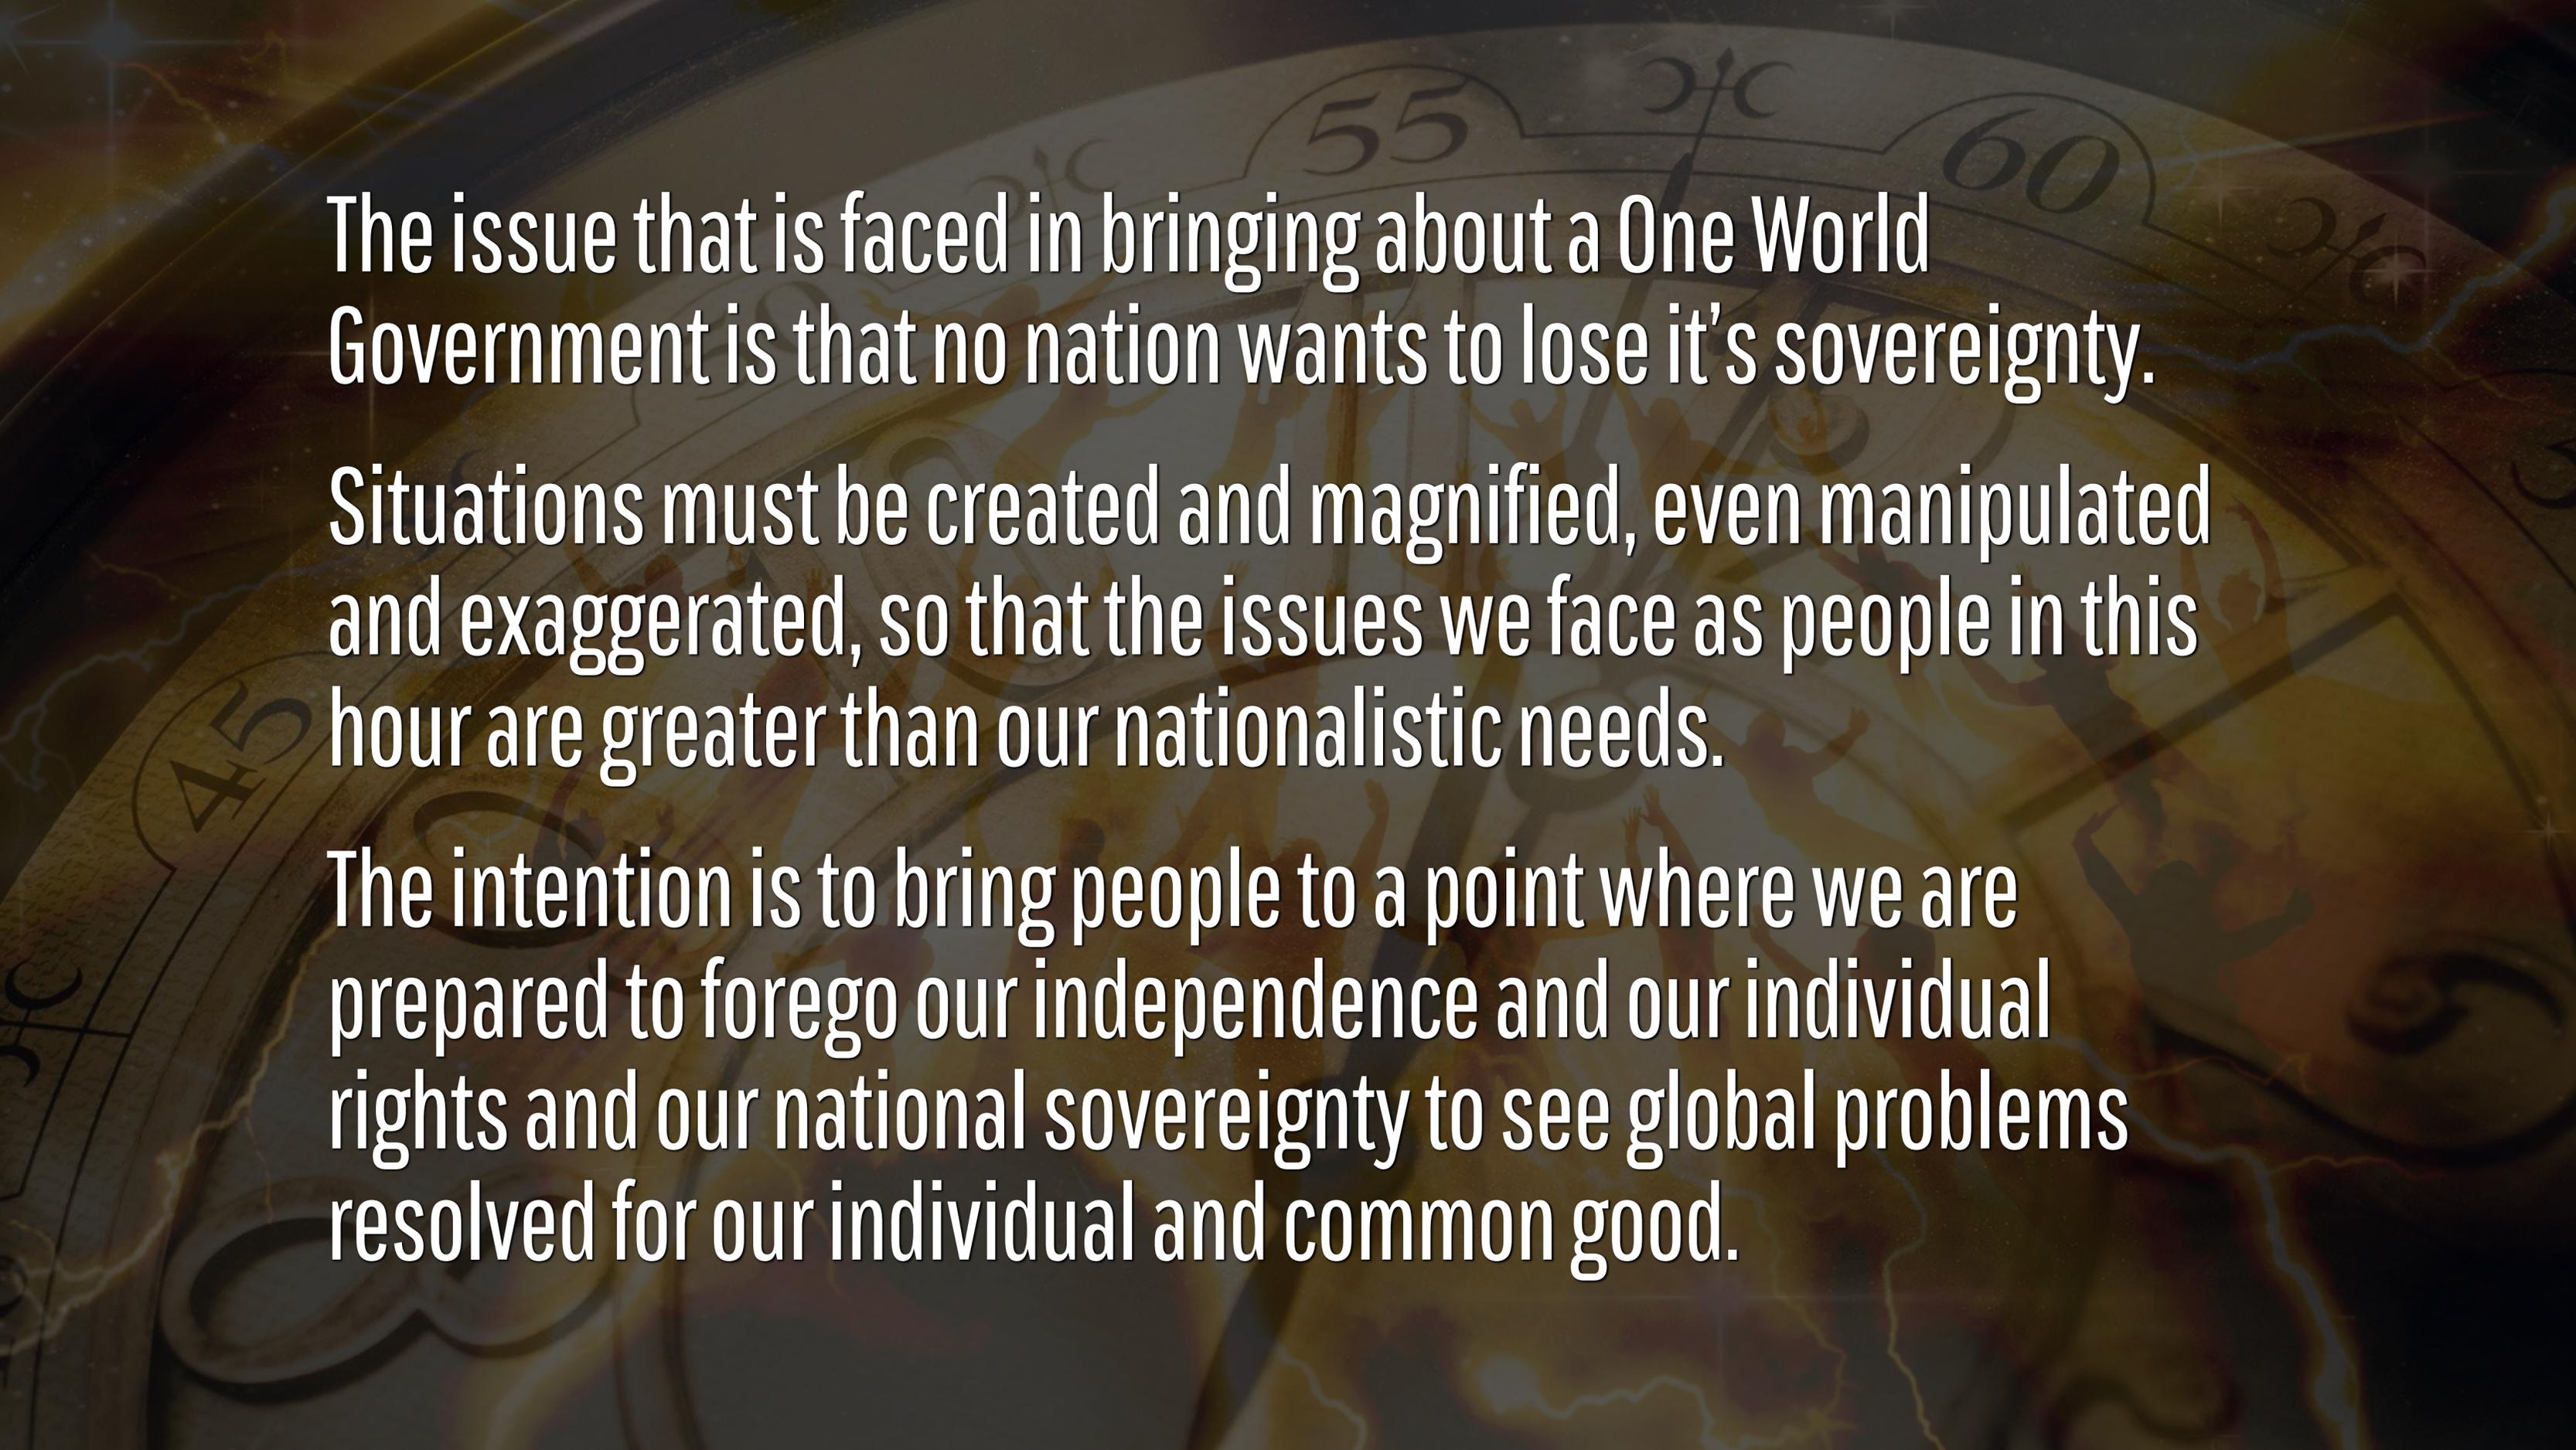

It is the task of today's generation to recognise and consciously to accept these new world dynamics for the achievement of a universal common good. Of course, this transformation will be made at the cost of a gradual, balanced transfer of a part of each nation's powers to a world Authority... This development will not come about without anguish and suffering... Only a spirit of concord that rises above divisions and conflicts will allow humanity to be authentically one family and to conceive of a new world with the creation of a world public Authority at the service of the common good.

“Note on Financial Reform from the Pontifical Council for Justice & Peace” - Official Vatican Network, October 24th, 2011

UNITED FUTURE WORLD CURRENCY

The issue that is faced in bringing about a One World Government is that no nation wants to lose its sovereignty.

Situations must be created and magnified, even manipulated and exaggerated, so that the issues we face as people in this hour are greater than our nationalistic needs.

The intention is to bring people to a point where we are prepared to forego our independence and our individual rights and our national sovereignty to see global problems resolved for our individual and common good.

There are issues like terrorism that is greater than individual governments and agencies.

There is the international financial and monetary issues that are greater than what individual nations can resolve. (and famines)

There is the myth of global warming and the myth of various pandemics that have people crying out for someone to solve these issues globally.

Because these things are global and larger than any one government is able to resolve, there is an increasing cry for a One World Government.

All of which points to a One World Leader, co-operating with a One World Church rising out of the revised Roman Empire.

Luke 21:25-28

25. “And there will be signs in sun and moon and stars, and on the earth distress of nations in perplexity because of the roaring of the sea and the waves,
26. **people fainting with fear and with foreboding of what is coming on the world.** For the powers of the heavens will be shaken.
27. And then they will see the Son of Man coming in a cloud with power and great glory.
28. Now when these things begin to take place, **straighten up and raise your heads, because your redemption is drawing near.”**

Hebrews 12:26-29

26. At that time his voice shook the earth, but now he has promised, “**Yet once more I will shake not only the earth but also the heavens.**”
27. This phrase, “Yet once more,” indicates the removal of things that are shaken—that is, things that have been made—**in order that the things that cannot be shaken may remain.**
28. Therefore let us be grateful for receiving a kingdom that cannot be shaken, and thus let us offer to God acceptable worship, with reverence and awe,
29. **for our God is a consuming fire.**
