

What On Earth  
Is God Doing? (14)

## Proverbs 6:16-19

---

16. There are six things that the Lord hates, seven that are **an abomination to Him**:
17. haughty eyes, a lying tongue, and hands that shed innocent blood,
18. a heart that devises wicked plans, feet that make haste to run to evil,
19. a false witness who breathes out lies, and one who sows discord among brothers.

## Abortion is leading cause of death worldwide for third year in a row

By [Ryan Foley](#), Christian Post Reporter

[Worldometer](#), a database that keeps track of statistics on health, the global population and other metrics in real time, determines the number of abortions performed worldwide based on data obtained from the World Health Organization. The last available snapshot of the Worldometer, as it appeared on New Year's Eve, captured by the internet archive tool The Wayback Machine, revealed that approximately 42.6 million abortions were performed worldwide in 2021.

By contrast, only 13 million people perished of communicable diseases, the second-leading cause of death last year. The other leading causes of death paled in comparison to abortion, with 8.2 million people dying of cancer worldwide, nearly 5 million deaths caused by smoking, approximately 2.5 million alcohol-related deaths, nearly 1.7 million people succumbing to HIV/AIDS, more than 1.3 million people dying in traffic accidents, and nearly 1.1 million suicides worldwide.

New Zealand MPs have introduced the most extreme abortion law in the world after the Abortion Legislation Bill passed its third reading in Parliament.

The bill passed by 68 votes to 51 – a much narrower margin than at the first and second readings.

The new law will mean that New Zealand has the most extreme abortion law in the world, this will include:

You'd think that a global pandemic that's killed hundreds of thousands would at least temper the advance of legal killing. It hasn't.

While headlines worldwide were praising New Zealand's prime minister for her handling of COVID-19, she was working to pass what might be described as the most extreme abortion laws on the planet.

In late March, New Zealand's parliament voted, [in the words of the New York Times](#), to "loosen" the nation's abortion laws, particularly in the latter half of pregnancy when babies become viable outside of the womb. "Loosen" may be the understatement of the decade.

At every point, even at conception, the chromosomes from each parent are already in place, as is the genetic information required for a lifetime. Staggering amounts of development will take place, but on what grounds do we decide that a change inside the womb is the becoming of a child rather than **simply the growing of a child?**

Probably the most defining argument for abortion is the right of a woman to determine what happens to her body. “My body, my choice” is the abbreviated rhetoric. But while there is truth in those four words, we believe it is not the whole truth. My body is not the only body, which means my rights are not the only rights.

# Pregnancy Facts

---

From the moment of conception, a newly conceived baby has its own separate, unique DNA. It is now a completely new and growing human life

- \* After 21 days ... a beating heart!
- \* At five weeks, the beginnings of arms and legs start to grow.
- \* At 8-11 weeks, the heart, stomach, kidneys, brain and muscles are all present and working. Fingers and toes have a set of individual prints.
- \* By the 11th week, the baby is 7.5cm long and completely formed. The fingers can grasp, the baby can hear, suck his or her thumb and move strongly.

**see Exodus 21:22–25**

**Job 31:15**

---

Did not the One who made me in the womb also make them?  
Did not the same God form us both in the womb?

**Jeremiah 1:5**

---

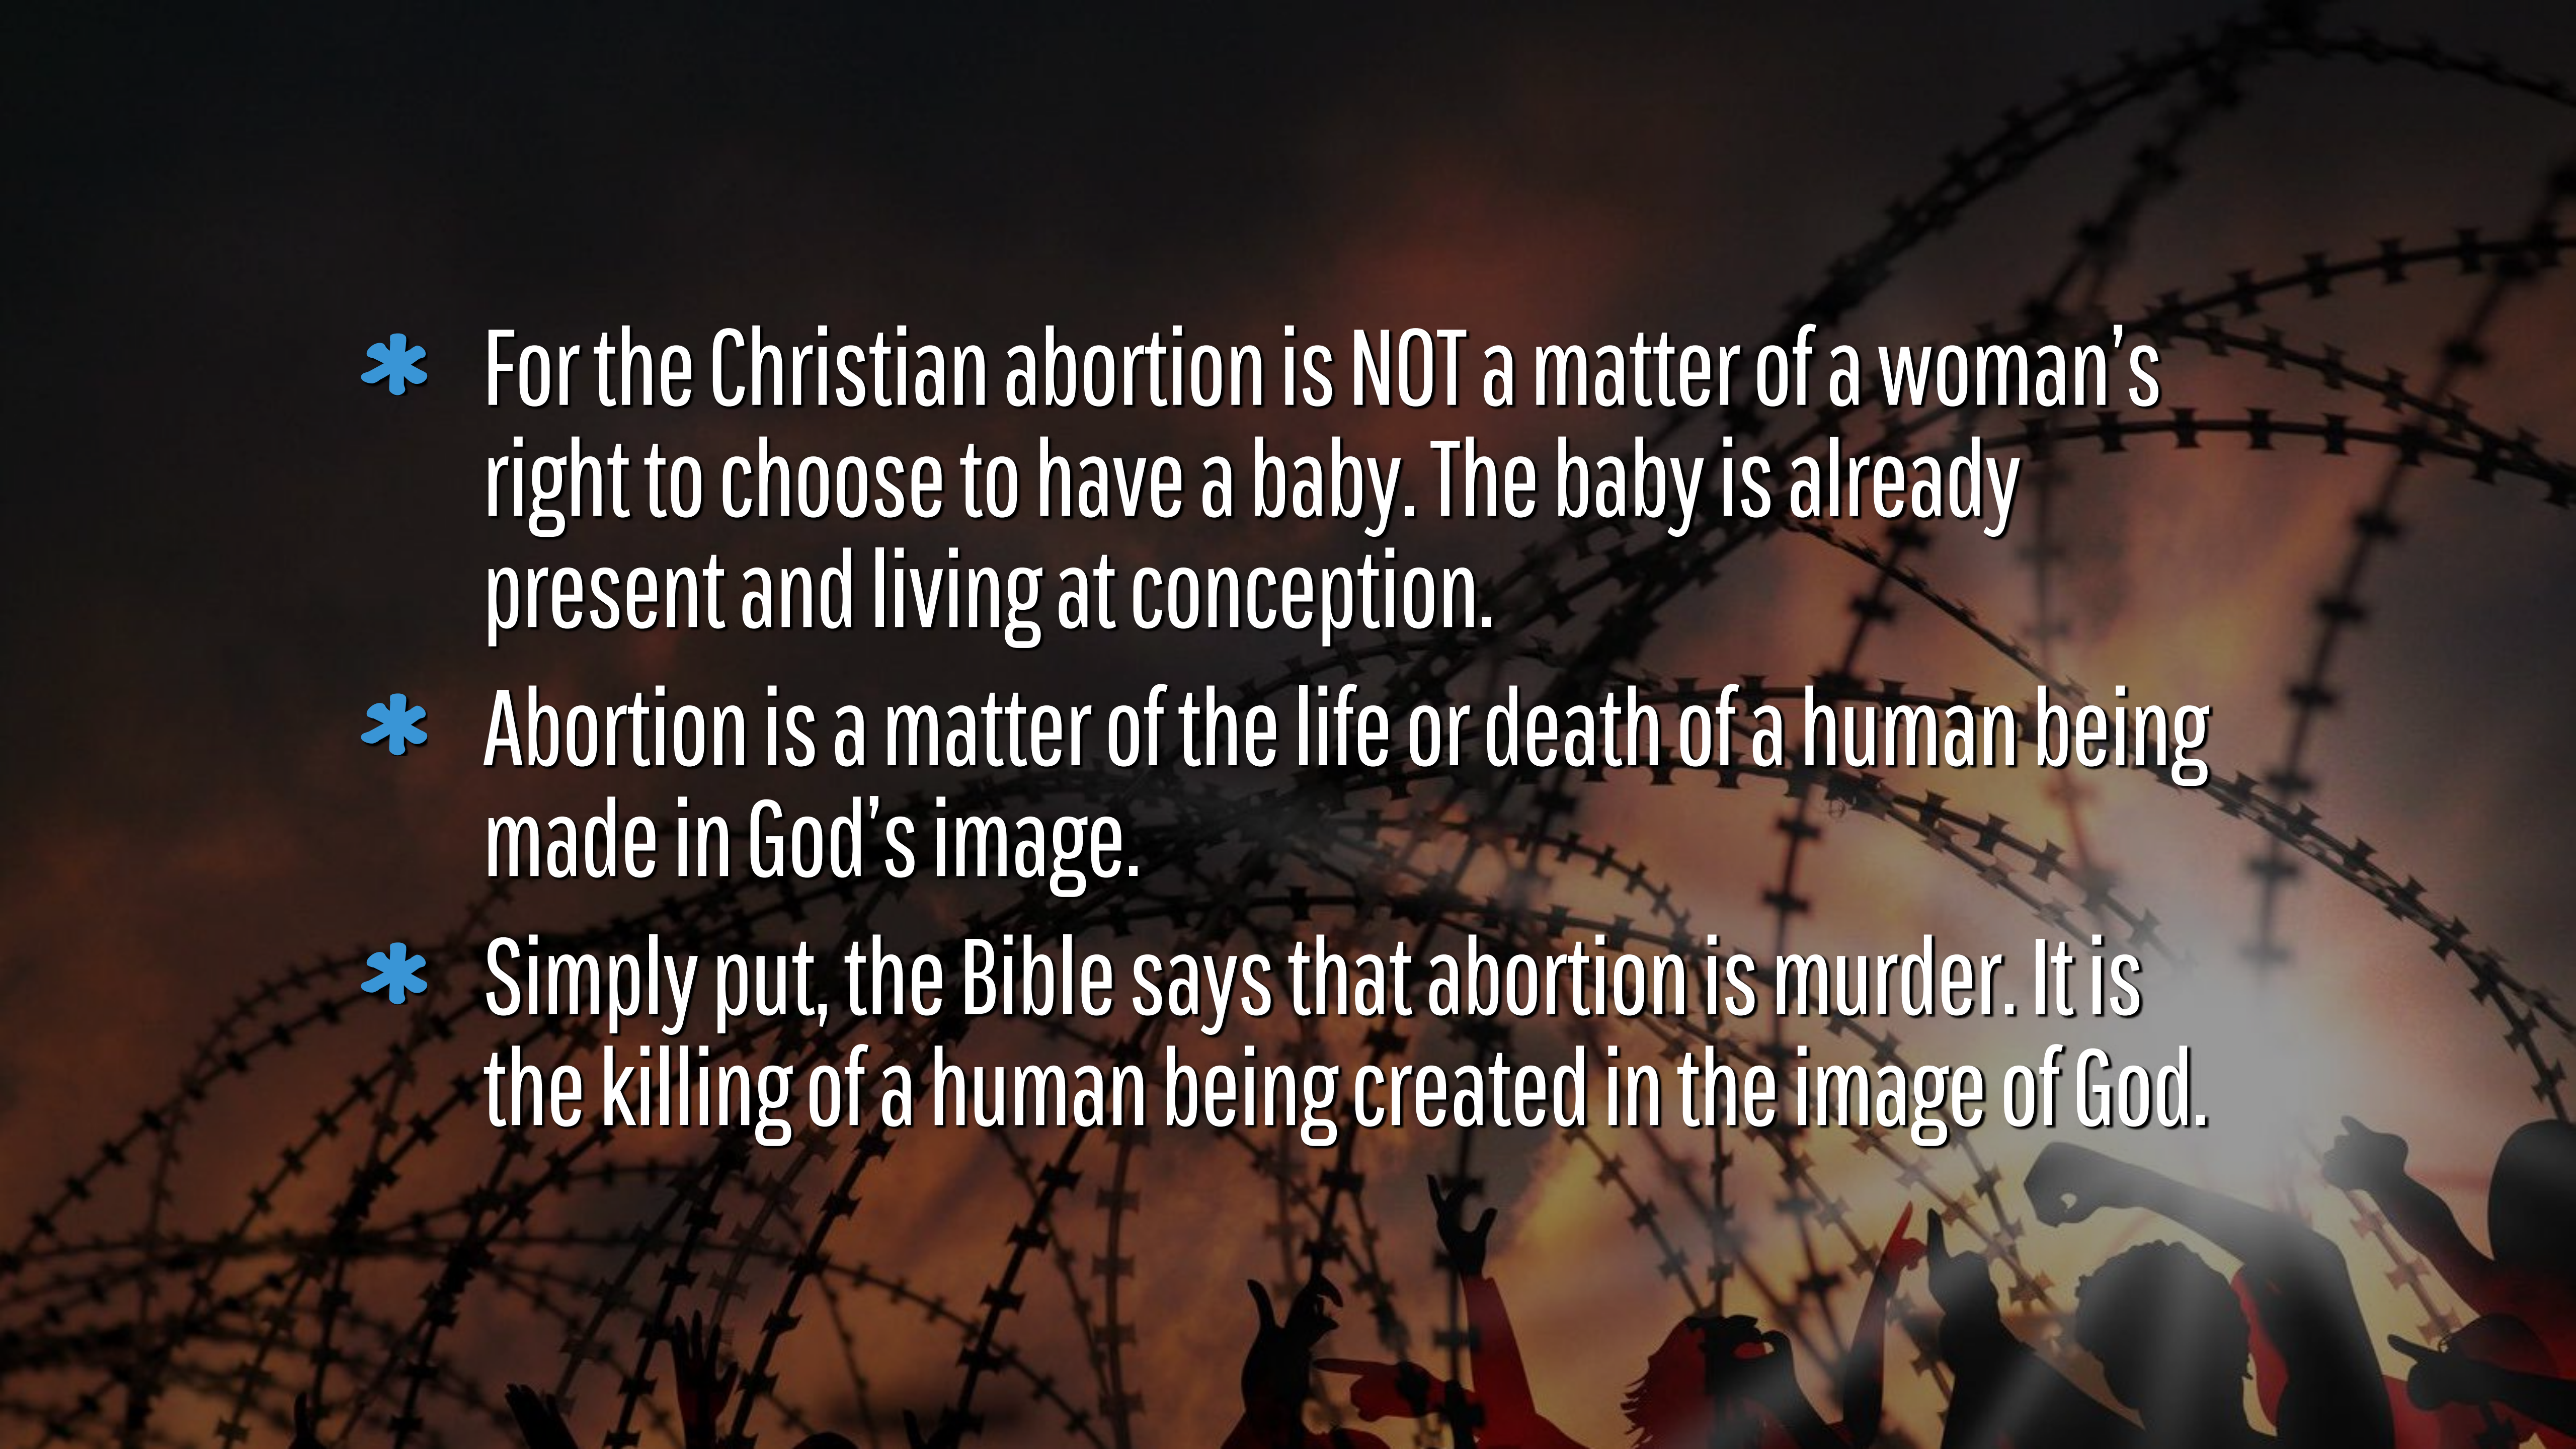

I chose you before I formed you in the womb;  
I set you apart before you were born.

## Psalm 139: 13 & 16

---

For it was You who created my inward parts;  
You knit me together in my mother's womb

Your eyes saw me when I was formless; all my  
days were written in Your book and planned  
before a single one of them began.

- 
- \* For the Christian abortion is NOT a matter of a woman's right to choose to have a baby. The baby is already present and living at conception.
  - \* Abortion is a matter of the life or death of a human being made in God's image.
  - \* Simply put, the Bible says that abortion is murder. It is the killing of a human being created in the image of God.

## **Genesis 1:27**

---

So God created man in His own image, in the image of God He created him; male and female He created them.

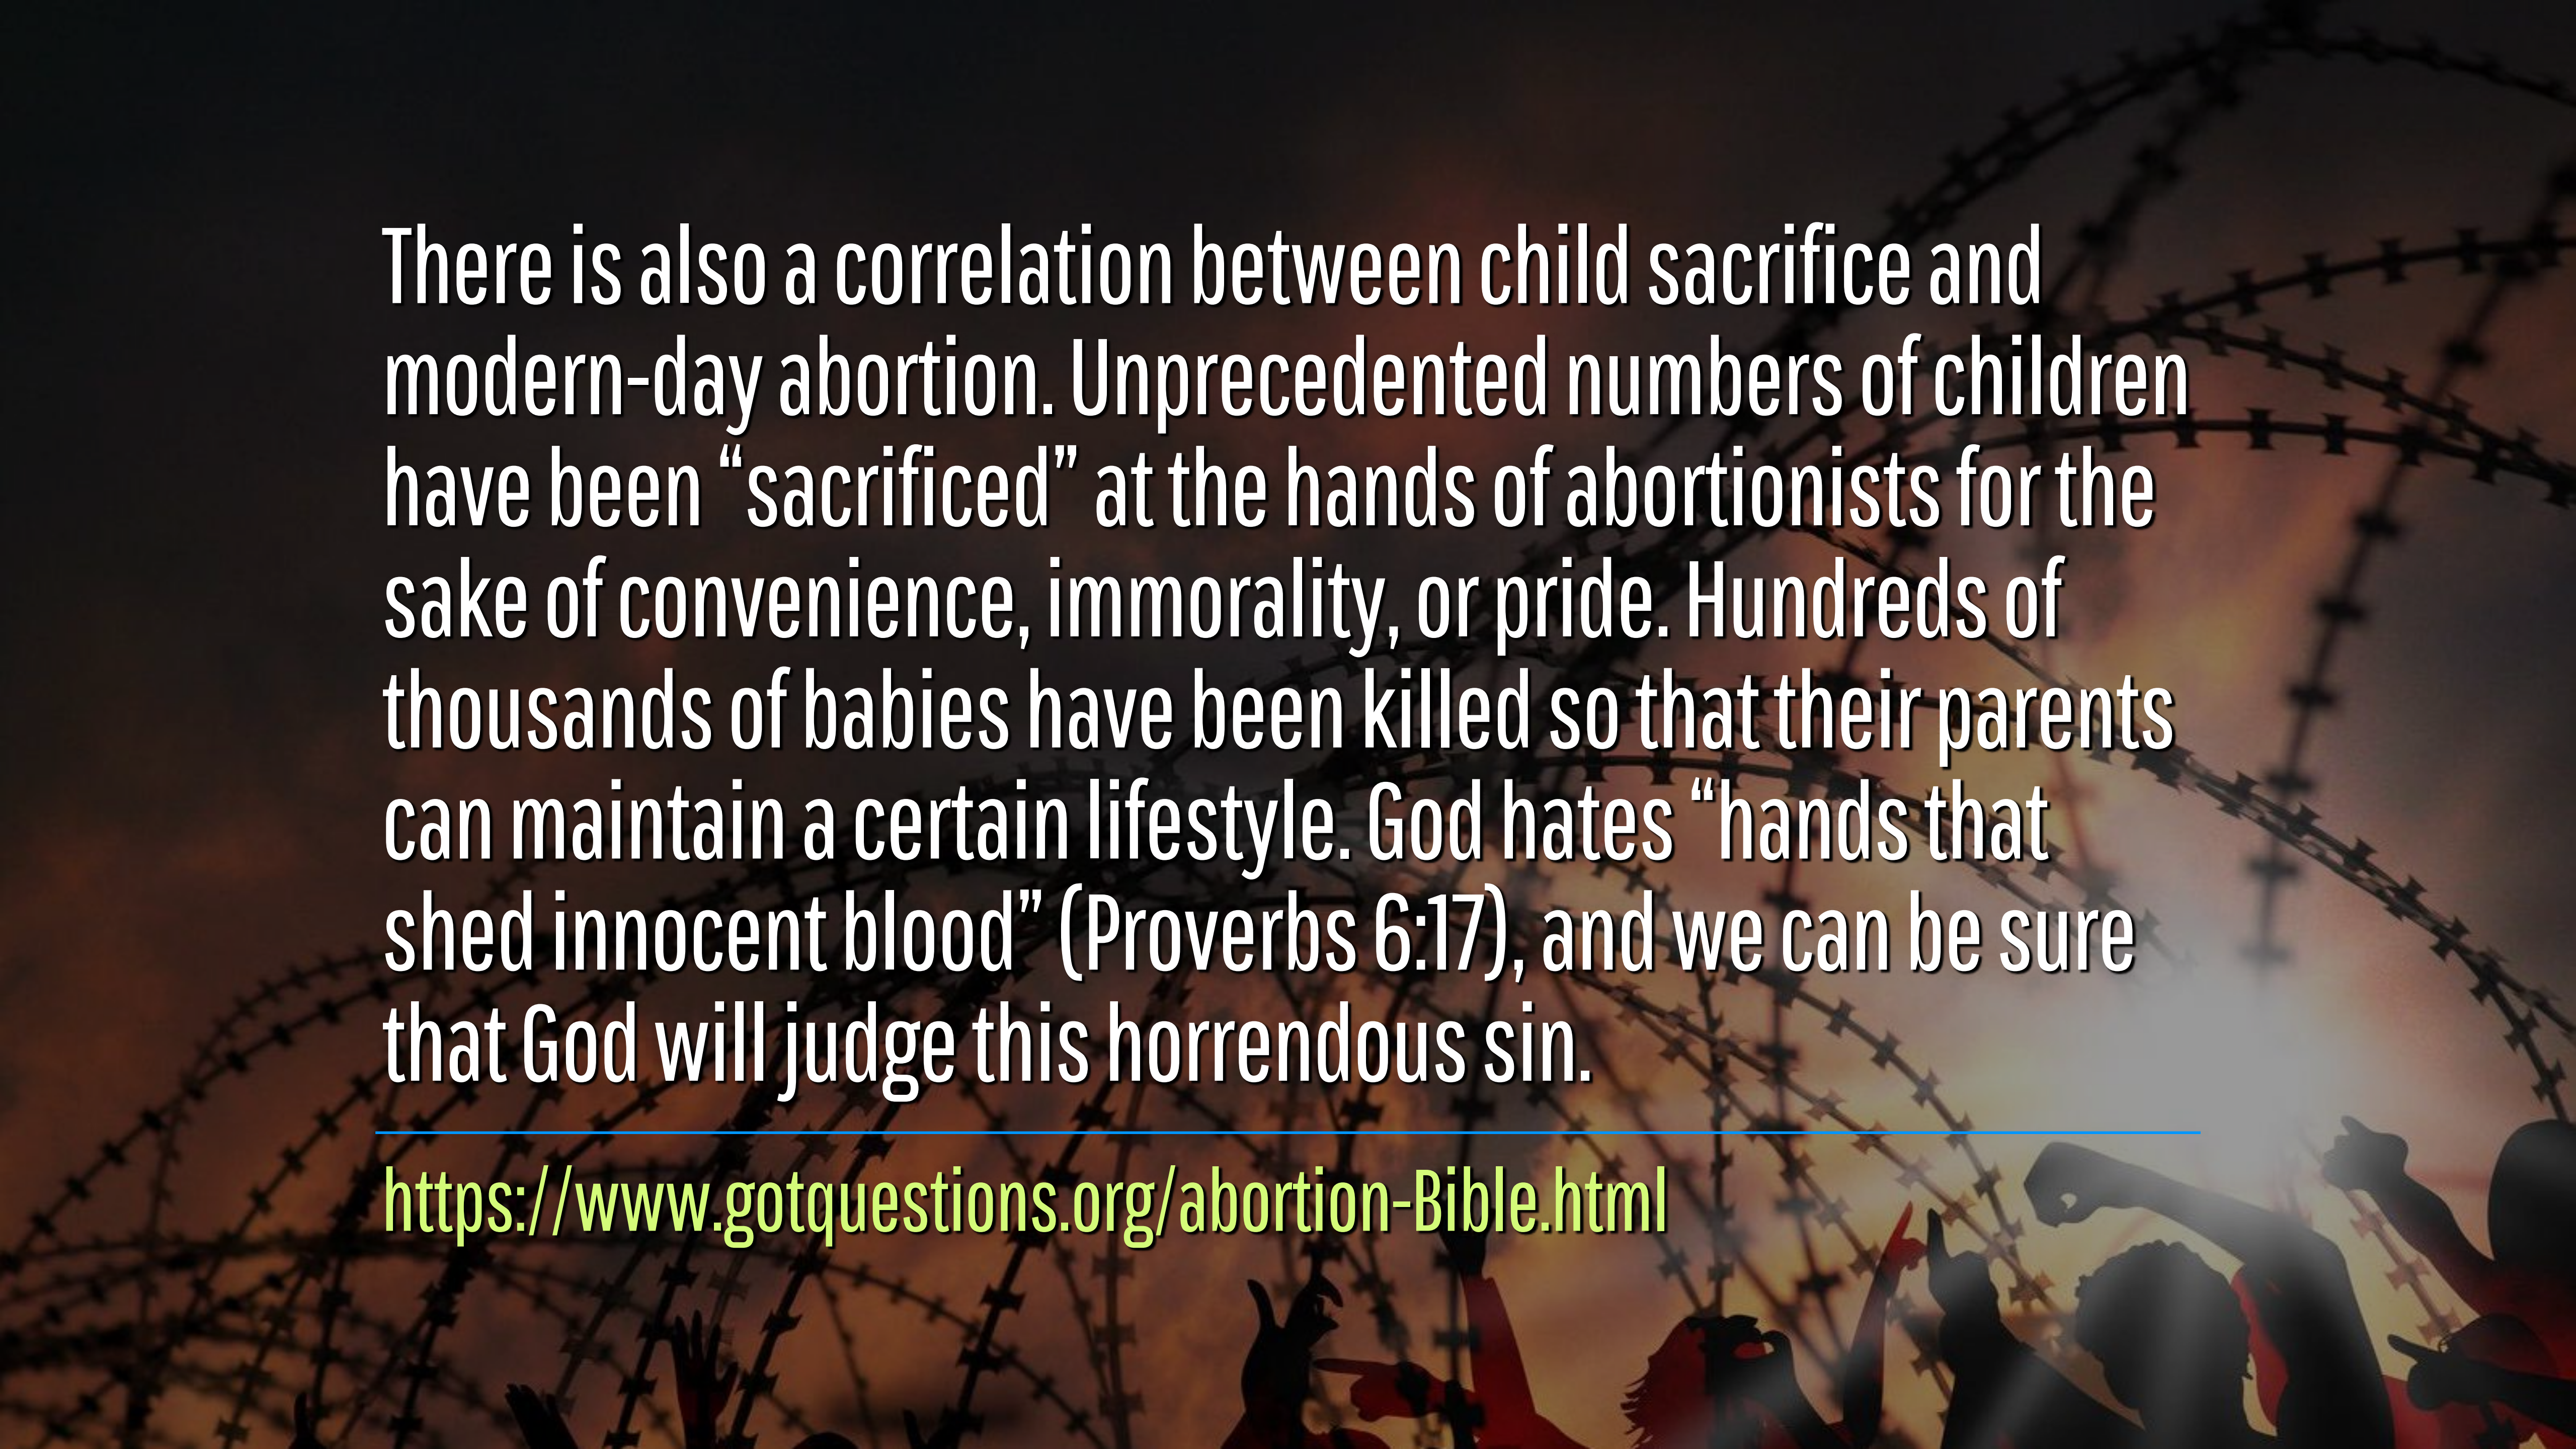

## **Genesis 9:6**

---

Whoever sheds the blood of man, by man shall his blood be shed, for God made man in His own image.

## Leviticus 20:2-3

2. Say to the people of Israel, Any one of the people of Israel or of the strangers who sojourn in Israel who gives any of his children to Molech shall surely be put to death. The people of the land shall stone him with stones.
3. I Myself will set My face against that man and will cut him off from among his people, because he has given one of his children to Molech, to make My sanctuary unclean and to profane My holy name.

There is also a correlation between child sacrifice and modern-day abortion. Unprecedented numbers of children have been “sacrificed” at the hands of abortionists for the sake of convenience, immorality, or pride. Hundreds of thousands of babies have been killed so that their parents can maintain a certain lifestyle. God hates “hands that shed innocent blood” (Proverbs 6:17), and we can be sure that God will judge this horrendous sin.

14. then, if My people, who bear My name, will humble themselves, pray, seek My face and turn from their evil ways, I will hear from heaven, forgive their sin and heal their land.
